

Hello Fellow Firefighters:

You asked for a fundraiser and we listened!!! We invited fire departments to raise money by selling items at the Show – we donated the space to each department (at no cost to the department) and each department gets to keep 100% of their profits.

**It worked! Here is a list of participating departments who are selling these items:
Used Fire Department Equipment & Apparatus – Collectibles –
Department Patches - Raffle Tickets and much more!**

We have worked with Kelly Simon for nearly 20 years and we look forward to re-establishing the Monroeville Show ® as the firefighter-friendly, family oriented event that Western Pennsylvania came to know and look forward to year after year. I have received numerous emails and phone calls from firefighters and EMS personnel from all over Southwestern Pennsylvania telling us how excited they are to see this "old show from their old friends". The Show is now happening and it will continue to grow each year!

MARK YOUR CALENDAR NOW AND WE'LL SEE YOU THIS WEEKEND AT THE MONROEVILLE FIRE SHOW!

Regards,

Harold Katofsky, Fire Chief
Monroeville Fire Company #6

Thanks for giving our members the opportunity to "clean house."
